

Mary Margaret in Mid-Air

The Innocence Mission

Mary Margaret in mid-air
has five reasons to be there.
Wants her friends to know she cares.
Writes I love you, pass it on.
I love you, pass it on.

My mother in her teens
had a joy for all to see,
brought a boy up to believe,
sings I love you, pass it on.
I love you, pass it on.

My friend Martin's leaving home
for a place where he's unknown,
calls me on the telephone,
says Will she love me when I'm gone,
will she love me when I'm gone?
Will you love me when I'm gone?
