

## Our Harry

### The Innocence Mission

We will squint into the sun,  
waving madly at the camera  
Harry standing in the front  
And I will be sitting on his shoulders

#### CHORUS:

When our Harry sails in the summer  
When our Harry will sail away  
Our Harry sails in the summer,  
far from me,  
across the sea

He said it is time now he does something  
and sent his hope to join the Peace Corps.  
I can't think what I'll do when my time comes,  
I cannot see myself standing alone

#### REPEAT CHORUS:

When our Harry sails in the summer  
When our Harry will sail away  
Our Harry sails in the summer,  
far from me,  
across the sea
