

## Some Clear Joy Is Coming

The Innocence Mission

Father John in the driveway  
Comes here to bless me  
My Father in the morning  
Will bend to hear me  
Some clear joy is coming on some slowest train  
I am hearing it coming again

Flowerless in the country  
Birdless in the spring  
My man and I are weeping  
We have been weeping  
Some clear joy is coming on some slowest trains  
Do you hear that it's coming again
