

Star of Land and Sea

The Innocence Mission

World inside of me, I know.
The forest and the trees, I know,
the cars upon my street won't go
I know.

Be a light to all, you shine
into darker lands, you shine,
a friend to friendless men, you shine,
You shine.

Star of land and sea, lead me
into morning sun, lead me
Star of land and Star of sea, lead me,
lead me.
