

## Tomorrow On The Runway

### The Innocence Mission

Old days, don't come to find me,  
the sun is just about to climb up over there.  
'While my heart is sinking I do not want my voice  
to go out into the air'.  
Did you leave the darkness without me?  
You're always miles ahead.  
And you're standing in tomorrow on the runway.

Oh be the music in my head,  
the air around my bed, oh be my rest.  
Replace the small disgraces of  
the times and places that I never really left.  
Did you leave the darkness without me?  
You're always miles ahead.  
And you're standing in tomorrow on the runway.

Oh I want to fly, fly forward into the light,  
be alive, to come alive,  
on the leaf-bright Friday drive,  
sudden horses at the red light,  
turn around, see clearer ways to go now.
