

## I'm a Rover

### The Irish Rovers

I'm a rover, seldom sober, I'm a rover of high degree  
It's when I'm drinkin' I'm always thinkin' how to gain  
my love's company

Though the night be as dark as dungeon, not a star can  
be seen above  
I will be guided without a stumble, into the arms of my  
own true love

I'm a rover, seldom sober, I'm a rover of high degree  
It's when I'm drinkin' I'm always thinkin' how to gain  
my love's company

He stepped up to her bedroom window, kneeling gently  
upon a stone  
He whispers through her bedroom window, my darling dear  
do you lie alone

I'm a rover, seldom sober, I'm a rover of high degree  
It's when I'm drinkin' I'm always thinkin' how to gain  
my love's company

It's only me your own true lover, open the door and let  
me in  
For I have come on a long nights journey and I'm near  
drenched to the skin

I'm a rover, seldom sober, I'm a rover of high degree  
It's when I'm drinkin' I'm always thinkin' how to gain  
my love's company

She opened the door with the greatest pleasure, she  
opened the door and she let him in  
They both shook hands and embraced each other, until  
the morning they lay as one

I'm a rover, seldom sober, I'm a rover of high degree  
It's when I'm drinkin' I'm always thinkin' how to gain  
my love's company

Says I: My love I must go and leave you, to climb the  
hills they are far above  
But I will climb with the greatest pleasure, since I've  
been in the arms of my love

I'm a rover, seldom sober, I'm a rover of high degree  
It's when I'm drinkin' I'm always thinkin' how to gain  
my love's company
