

# The Boys of Belfast

## The Irish Rovers

We're the boys of Belfast town,  
Rantin' roarin' ramblin' round  
We're Irishmen of high renown  
That's the boys of Belfast

We're the boys of Belfast town,  
Rantin' roarin' ramblin' round  
We're Irishmen of high renown  
That's the boys of Belfast

You will find us anywhere, in the church or on the tear  
Brave and bold there's none so rare as the Boys of  
Belfast

We're the boys of Belfast town,  
Rantin' roarin' ramblin' round  
We're Irishmen of high renown  
That's the boys of Belfast

We can fight with sword or pen, we'll never break,  
we'll never bend  
And if we fall we'll rise again for we're the boys of  
Belfast

We're the boys of Belfast town,  
Rantin' roarin' ramblin' round  
We're Irishmen of high renown  
That's the boys of Belfast

We can sing or dance all night til the sun is shinin'  
bright,  
Music is our hearts' delight, we're the boys of Belfast

We're the boys of Belfast town,  
Rantin' roarin' ramblin' round  
We're Irishmen of high renown  
That's the boys of Belfast

(instrumental break)

We're the boys of Belfast town,  
Rantin' roarin' ramblin' round  
We're Irishmen of high renown  
That's the boys of Belfast

When we're back on paddy's shore, the lassies they be  
sad no more  
Tonight we'll make the rafters roar in the pubs of  
Belfast

We're the boys of Belfast town,  
Rantin' roarin' ramblin' round  
We're Irishmen of high renown  
That's the boys of Belfast

We're the boys of Belfast town,  
Rantin' roarin' ramblin' round

We're Irishmen of high renown  
That's the boys of Belfast
