

# Angel In Blue

The J. Geils Band

We met in a bar  
Out on Chesapeake Bay  
With her white patent boots  
And her blouse red lame

A table top dancer  
She would smile on cue  
Oh those lips of an angel  
Angel in blue

She'd been dancin for ages  
Through cities of bars  
She was kickin' the habit  
Of scoring in cars

She'd been drained of her spirit  
All caged up in this zoo  
A wild cat angel  
Angel in blue

And as she stared out into nowhere  
I thought yes I thought she might break down and cry  
Oh when I whispered I thought I could love her

She just said, "Baby don't even bother to try"  
And I watched as she spoke  
Her words chilled my bones  
All her friends did her favors

That were really just loans  
And she never had dreams  
So they never came true  
Oh the palest of angels  
Angel in blue

And the bees they had stung her  
The birds they had flown  
There were guys she could number  
But none had she known

And she never had dreams  
So they never came true  
Oh my fade away angel

Angel in blue  
Angel in blue
