

## Believe in Me

The J. Geils Band

You come home  
with somethin' on your mind  
and darlin' tell me  
why are you cryin'  
you said be serious  
no time for fun  
well tryin' to tell me  
something that I've done  
things you've heard  
couldn't be denied  
before your opinion  
listen to my side

You must believe me  
no matter what the people might say  
you must believe me  
darlin' it just didn't happen that way  
oh no it just didn't happen that way

Girl you're wrong  
to believe what they say  
for you see nothin'  
could ever be that bad  
talk is now  
all over town  
darlin' you know  
I'll never put you down  
for her and me  
were at the party as guests  
there's nothin' else to say  
about this kind of mess

You must believe me  
no matter what the people might say  
you must believe me  
darlin' it just didn't happen that way  
oh no it just didn't happen that way
