

Cruisin' for a Love

The J. Geils Band

Back in the city cruisin' for love again
Back out on Main Street cruisin' for love again
With my mind made up baby
Gonna find myself a friend

Oh baby, I don't know what to do
Baby baby baby baby I don't know what to do
Ain't no mathematician
But I'd sure like to count on you

Cruisin' for love
But love is nowhere in sight
Cruisin' for love
But love is nowhere in sight
Going to find, going to find, going to find me
Some loving tonight
