

# Givin' It All Up

The J. Geils Band

Oh yeah

Mmm

I've had lots of kisses, honey, but not like yours  
I had sweet lovin', but not like yours  
I'm tired of this running all over town  
I finally found good love to keep around

I'm givin' it all up for you, babe  
I'm givin' it all up for you  
No matter what you say  
No matter what you do  
I'm givin' it all up for you

I've done lots of crazy things before  
But I don't want no crazy love no more  
'Cause the people that I met, I seem to forget  
As long as I got you, honey  
As long as I got you

So I'm givin' it all up for you, babe  
I'm givin' it all up for you  
No matter what you say  
No matter what you do  
I'm givin' it all up for you

Ain't no guarantee all the love you give to me  
And I know that, yes, I know that  
The promises you made can easily fade  
And I know that, yes, I know that  
My friends say I'm crazy, I should leave you behind  
There's better lovin' on down the line

But I'm givin' it up for you, baby  
I'm givin' it all up for you  
No matter what you say  
No matter what you do  
I'm givin' it all up for you  
Hit it

Oh yeah

Oh baby

Mmm

(Give it up, givin' it all up)  
(Give it up, givin' it all up)  
Yeah  
(Give it up, givin' it all up)  
(Give it up, givin' it all up)

(Give it up, givin' it all up)  
I want your love  
(Give it up, givin' it all up)  
I need your love  
(Give it up, givin' it all up)  
I wanna give you my love  
(Give it up, givin' it all up)

I wanna give you my love

I want that sweet love  
(Give it up, givin' it all up)  
I want some good love, baby  
(Give it up, givin' it all up)  
I want good, good love  
(Give it up, givin' it all up)  
I wanna give you my love  
(Give it up, givin' it all up)

(Give it up, givin' it all up)  
Hugs and kisses, babe  
Give you my love  
(Give it up, givin' it all up)  
Take hold of my love  
(Give it up, givin' it all up)  
I need to let the hand up  
(Give it up, givin' it all up)  
Sweet love  
(Give it up, givin' it all up)  
(Give it up, givin' it all up)  
Sweet, sweet love  
(Give it up, givin' it all up)

I said I want your love  
(Give it up, givin' it all up)  
Searching for your love  
(Give it up, givin' it all up)  
I want that great love  
(Give it up, givin' it all up)  
I want that crazy love  
(Give it up, givin' it all up)
