

Jealous Love

The J. Geils Band

I was walking down the street
and you were looking real fine
and you're acting pretty cool
the way you flashin' your eyes
just made me realize
you had me acting like your fool

Jealous love jealous heart
jealous mind over you
jealous love jealous heart
and I don't know what to do

You know I love you baby
girl I don't mean maybe
I hope you understand
and I don't want you and I don't need ya
if you got another man

Jealous love jealous heart
jealous mind over you
jealous love jealous heart
and I don't know what to do

Feel like I'm going outta my head
I can't help myself
I'm thinkin' about thinkin' about you baby
making love with somebody else

Runnin' round messing round
getting down oh girl
what you gonna do
But if I find out you've been foolin' about
I'm gonna make a mess outta you

Jealous love jealous heart
jealous mind over you
jealous love jealous heart
and I don't know what to do
