

Southside Shuffle

The J. Geils Band

Do you wanna dance? (yeah)
Movin', groovin', slip and slide (yeah)
Come on baby don't you hide

There's a place down the street
Where everybody loves to meet
They gotta band plays all night long
Everybody moves when they play this song

They doin' the Southside Shuffle
They doin' the Southside Shuffle
They doin' the Southside Shuffle
All night long

So come on baby, come with me
There's a dude I gotta see
Wear your tight dress, I'll shine my shoes
I got all the money honey I need to use

To do the Southside Shuffle
I'm doin' the Southside Shuffle
I'm doin' the Southside Shuffle
All night long, give it to me baby

Now watch me
Feelin' good with it, baby
Oh you're makin' me hard, come on

Now come on baby don't be that way
You gotta do the dance, child, if you wanna stay

Slide your body right across the floor

Wait a minute, wait a minute don't you wanna dance
Come on baby if you give it a chance
Shake it, shake it, baby don't you break it
Got keep on movin' I know you're gonna make it

They do the Southside Shuffle
Doin' the Southside Shuffle
You doin' the Southside Shuffle
All night long (all night long)
I said it's all night long (all night long)
I said it's all night long (all night long)
(All night long)
I said it's all night baby
