

# Take It Back

The J. Geils Band

You play with my heart  
(There's no doubt about it)  
I'm crazy about you girl  
(I stand up and shout it)  
But you got what you bargained for  
I can't stand this pain no more  
I just want to let you know that I found out...  
Take it back  
Take back your love  
Take it back  
Take back your love

I heard all the lying  
(I know that you said it)  
But now the tables are turning  
(And you're gonna get it)

Who do you think you are?  
You're pushing your love too far  
I just want to let you know that I've found out...

Take it back ooh ooh  
Take back your love  
Take it back oh oh  
Take back your love

After all that we've been through  
The last laugh is now on you  
I just want to let you know that I've found out...  
Take it back  
Take back your love  
Take it back  
Take back your love

Take it back  
Take back your love  
Take it back  
Take back your love

Take it back  
Take back your love  
Take it back  
Take back your love
