

Teresa

The J. Geils Band

I remember every moment
And this color, the brightest day
And every dawn, my heart turns darker
Is this the price I must pay?

What should I do next, Teresa
Where did I go wrong?
What should I do next, Teresa
Please help me, but don't wait too long

Am I lost, am I forgotten
Have I strayed too far from home
I've known love and I've known madness
Must I find my way alone?

What should I do next, Teresa
Where did I go wrong?
What should I do next, Teresa
Please help me, but don't wait too long
Please help me, but don't wait too long
