

The Gift

The Jam

Move, move, I've got the gift of life
Can't you see it in the twinkle of my eye
I can't stand up and I can't sit down
I gotta keep movin', I gotta keep movin'

All the time that gets wasted hating
Why don't you move together
And make your heart feel better

Groove, groove to the beat of this drum
Feel it in the wind and the warmth of the sun
Don't sit down and don't stand up
Keep on movin', keep on movin'

Think of the future and make it grow
Why don't you move together
And make your heart feel better

Take a pinch of white and pinch of black
Mix it together and make a movin' flavor

Take a pinch of white and pinch of black
Tell you move together
And make your heart feel better

Move, move, we got the gift of life
Go and shout it from your roof mountain top
Give it to me once and give it to me twice
We gotta keep movin', we gotta keep movin'
