

# It Could All Get Blown Away

The Jeff Healey Band

Blown away, blown away  
Riding so high  
Sailing the seas of success  
But how long will it last, baby?  
That's just any body's guess

Let me give you fair warning  
Tomorrow never knows  
'Cause ever since I was down there, yeah  
That's just the way it goes

So many times I've seen it happen  
Count your blessings while you may  
Just when you think you got it all  
It could all get blown away  
It could all get blown away, yeah, yeah, yeah

She tells you she loves you  
And you're feeling good today  
She kisses you with passion  
But you know passion fades away

Like a robber at midnight  
Someone steals it from your home  
Soon you're asking the daylight  
Why am I all alone? Oh yeah

So many times I've seen it happen  
Count your blessings while you may  
Just when you think you got it all  
It could all get blown away  
Yes, it could all get blown away, blown away

Well, let me give you fair warning  
Tomorrow never knows  
Ever since I was down there, yeah  
That's just the way it goes

'Cause you know so many times I've seen it happen  
Count your blessings while you may  
Just when you think you got it all  
It could all get blown away  
It could all get blown away, yeah

Blown away, blown away  
Blown away, blown away  
Blown away, blown away  
Blown away, blown away  
Blown away, blown away  
Blown away, blown away  
Blown away
