

Me And My Crazy Self

The Jeff Healey Band

Me and my crazy self
Let a woman make a fool outta me
Me and my crazy self
Letta a woman make a fool outta me
Now she went away and left
I'm as lone some as a fool can be

Me and my lying self
Said I wouldn't love no more
Me and my lying self
Said I wouldn't love no more

Now that woman took my heart
Ad she walked right out the door

Me and my helpless self
Guess there's nothing I can do
Me and my helpless self
Well there's nothing I can do

But just
Crying my heart out over you
