

## Black and Blues

### The Jesus and Mary Chain

I don't have nothing to give  
But if I could I'd give my heart's beat  
But my mind and heart breaks

Yeah, it's just a bitch  
Yeah, it's just a bitch  
Yeah, it's just a bitch

You know we're living in shit  
Guess the love is where you found it  
But my mind and heart breaks

Yeah, it's just a bitch  
Yeah, it's just a bitch  
Yeah, it's just a bitch

We could leave this world behind  
And die, and die in the morning  
We could leave this world behind  
This world behind

We could leave this world forever  
We could leave this world behind  
Still my mind and heart breaks

(Ba, ba, ba) Yeah, it's just a bitch  
(Ba, ba, ba) Yeah, it's just a bitch  
(Ba, ba, ba) Yeah, it's just a bitch  
(Ba, ba, ba) Yeah, it's just a bitch
