

Why'd You Want Me?

The Jesus and Mary Chain

Why'd you care
Why'd you want me there
Why'd you sin
Why did you let me in

I got no shoes
I've always got the blues
I gave myself
To drink and drugs and filth

Why'd you care
Why'd you want me there

I see the gloom
And doom in every room
You see the light
In every darkened night
So why'd you care
Why'd you want me there
Why did you sin
Why'd you let me in

Why'd you want me babe
Why'd you want me babe
Why'd you want me babe
Why do you want me babe

Why? Why? Why? Why?

Why'd you want me babe
Why do you want me babe
