

## More Beautiful Than Barbie

The Jesus Lizard

Oh man, you've got great eyes  
Exquisite and charming come to mind  
More beautiful than Barbie  
You're surely a sight for sore eyes  
First rate and lovely  
Truly and treasure to the eye  
No one I ever met in my life  
Is pleasant or gracious as you  
Thank you thank you thank you  
I'm always humbled by your generosity
