

Lose It

The Jokerr

Downtown, we let it go
Sunset high and our bodies low
Bloodrush in the hazy glow
My hands, your bones
Loose up, you break the scene
One step deep as you fall to me
Heart clap, we skip a beat
Count one, two, three (huh)

And don't you stop the music
Get into it
Won't you dance with me?
Find a place and lose it
You can do it
Won't you dance with me?
Move your feet and feel it
In the space between
You gotta give yourself a moment
To let your body be
We gotta lose it
We gotta lose it

(We) lose it
(Everybody) lose it
(We gotta) lose it
We gotta lose it
(The bad moves) lose it
(That attitude) lose it
(Like a bad [?]) lose it
We gotta lose it
(Yeah, I wanna see you) lose it
(Put your hands [?]) lose it
(Keep 'em like) lose it
(Just dance like a) we gotta lose it
([?]) lose it
(If you ain't tryna) lose it
(You better keep it moving) lose it
('Cause we getting straight [?]) lose it
(Yeah) we gotta lose it

Your name, I'll never know
As we get down in the world below
Caught up in an overflow
My hands, your bones
Wide-eyed you look at me
Set on fire in a silver dream
Spin round, you can feel the breeze
Count one, two, three

Don't you stop the music
Get into it
Won't you dance with me?
Find a place and lose it
You can do it
Won't you dance with me?
Move your feet and feel it
In the space between

You gotta give yourself a moment
To let your body be
We gotta lose it
We gotta lose it

(We) lose it
(Everybody) lose it
(We gotta) lose it
We gotta lose it

(If you ain't tryna) lose it
(You better keep it moving) lose it
('Cause we getting straight [?]) lose it
(Yeah) we gotta lose it

Make a spark, break the dark
Find a light with me
Who we are from the start
Won't you dance with me?
Make a spark, break the dark
Find a light with me
Who we are chasing stars
Won't you dance with me?
Won't you dance with me?

Don't you stop the music
Get into it
Won't you dance with me?
Find a place and lose it
You can do it
Won't you dance with me?
Move your feet and feel it
In the space between
You gotta give yourself a moment
To let your body be
We gotta lose it
We gotta lose it
