

## This Mayhem

The Jokerr

This mayhem all around me  
Like a dancing drunkard, watch him go  
He's taken full control  
Oh no

So far away I'll go  
And mark my grave, you'll know

This mayhem, like a monster  
That's swallowing up my entire soul  
It haunts me every morning  
His breath is like the darkness  
Black and cold  
It swallows it whole

So far away I'll go  
And mark my grave, you'll know
