

I Will Stand By You

The Judds

I will never back down from a good fair fight
I will find my way through the darkest night
I will never be wrong for doin' whats right
I will stand by you

I will never run from what I believe
I am stronger still when I'm on my knees
I am ready as I'll ever be
'Cause i will stand by you

I can carry the world on my shoulders
This I know is true
And when you need me I will be there
know that I will stand by you

Let the walls fall down
I will shelter you
When the seas rise up
I'll rise up too
No matter what happens I'll know what to do
I will stand by you

I can carry the world on my shoulders
This I know is true
If you need me
I will be there
Know that I will stand by you

I'm a woman of faith thats unshakeable,
I may bend, but I'm unbreakable
and you can count on me

I will never back down from a good fair fight
I will find my way through the darkest night
I will never be wrong for doing whats right

I will stand by you
I will stand by you
I will stand byyyyyy youuuu
I will stand by youuu

I will never back down

I will stand by you

I will find my way

I will stand by you
I will stand by youu

I will never run
I will stand by you
