

Lazy Country Evening

The Judds

Lazy country evening
Sittin' by you
The baby's
In his cradle
And the day's
Almost through
Red sunset
Over pine trees
I'm feelin'
High as the mountain
Free
As the breeze
Yodelero, Yodelero
Yodelero, Yodelero
Whippoorwill calls
Darkness falls
The perfect
Way to say
Time to close
Another perfect day
