

Live Your Love

The Katinas

"I'm listening to a new song from heaven
I'm wide awake, yet dreaming of You
Though I'm not alone
I'm desperate without You
I see your mercy
Lord You are holy
I want to be more like You

Teach me to live Your love
Help me to give Your love
Show me Your way
Lord I'll obey
Your word and live Your love

I stand in awe, grateful remembrance
Press towards the goal
For the prize I must win
I've got my eyes focused upon You
Show me Your beauty
Cause Lord it's your goodness that makes me more like You

Holy wind, blow fresh
Your fire anew
Come breathe on my soul
Let my heart be for You
I've witnessed the light
And the power of Your might

Teach me to live Your love
Help me to give Your love
Show me Your way
Lord I'll obey
Your word and live Your love"
