

# Mama

The Katinas

Mama, we were so sad when you left us  
You know, things were so right,  
And our future seemed bright  
Then you were gone  
Mama, you were gone  
You were amazing,  
You were so beautiful.  
Tell me, why did it end this way?  
But before you went on  
With your last breath you said;|

You said "We must go on  
On 'till Jesus comes."  
We'll see you again,  
Yes we'll see you again, mom again (2x)

It's gonna be better.  
We'll together. We'll be together.  
Forever and ever when Jesus comes  
In the place after  
There is love and laughter  
Forever and ever  
When Jesus comes  
When he comes (4x)  
It's gonna be better  
We'll be together  
Forever and ever  
When Jesus comes
