

Always Makin' Love

The Kentucky Headhunters

Always makin' love to you
Even when you're far away
No Matter what the time of day
I'm always makin' love to you

Ev'ry morning when I wake up next to you
I feel your body close to mine
Spending all my time

Always makin' love to you
Even when you're far away
No Matter what the time of day
I'm always makin' love to you

It doesn't matter what we do
It doesn't matter where we go
Just as long as I'm with you
We'll be making love

Always makin' love to you
Even when you're far away
No Matter what the time of day
I'm always makin' love to you

To you - always making love to you
To you - always making love to you
