

Freedom Stomp

The Kentucky Headhunters

Ah, turn it up.
Well, I'm gonna' lay up here on the front porch all day
Shoes off, sock feet, bare feet, just don't care - no more
I can't think about nothin' but the blue sky, fishin' hole,
flag pole, jelly roll, or just spendin' time - with you baby
Take off your shoes an' do the Freedom Stomp
Take off your shoes - do the Freedom Stomp
I won't preach about things like taxes, bus fare, welfare, cab
fare,
I ain't goin' anywhere
I might be wrong, but I'm ready
I got a leak in my roof - but I don't care
Later - ain't no heat - no fan - catch it in a trash can
I - I got a better idea
Take off your shoes an' do the Freedom Stomp
Take off your shoes an' do the Freedom Stomp
Stomp
I got a car with a flat tire sittin' in the driveway
Too bad - hot date - don't run anyway
You - you know just how I feel
Take off your shoes an' do the Freedom Stomp
Take off your shoes an' do the Freedom Stomp
Take off your shoes an' do the Freedom Stomp
Take off your shoes an' do the Freedom Stomp
Watch out
