

# Honky Tonk Walkin'

## The Kentucky Headhunters

Well who's that girl with the sock feet and holy blue jeans  
The one that dances like a hurricane  
And shakes it like a washing machine  
Guess I got to get my courage up and tell her I don't know how  
to dance  
But if she can hoochie coochie I can hold her tight  
We can stand in one spot or go honky tonk walkin all night

So lets go honky tonk walkin  
Honky tonk walkin  
You could be my honky tonk girl  
So break up the double shuffle  
It's a honky tonk world  
We'll go wading in the waters of the rhythm and rhymes in this  
world  
When I go Honky tonk walkin with my arms around a honky tonk gi  
rl  
Come on sugar baby

Well now the party's over and I got no license to drive  
When she pulls up beside me and says I've got a marvelous ride  
Yeah she's under my wheels I'm under the spell of her love  
But if she can hoochie coochie I can hold her tight  
We can get out on the road and go honky tonk walkin all night

So lets go honky tonk walkin  
Honky tonk walkin  
You could be my honky tonk girl  
So break up the double shuffle  
It's a honky tonk world  
We'll go wading in the waters of the rhythm and rhymes in this  
world  
When I go Honky tonk walkin with my arms around a honky tonk gi
