

Singing the Blues

The Kentucky Headhunters

Well, I never felt more like singin' the blues
'cause I never thought that I'd ever lose
Your love babe, you got me singin' the blues.
Well, I never felt more like cryin' all night
when everything's wrong, and nothin' is right
Without you, you got me singin' the blues.

Well, the moon and stars no longer shine
The feel is gone I thought it was mine
There's nothin' left for me to do
But cry-y-y-y over you (cry over you)

Well, I never felt more like runnin' away
But why should I go when I wouldn't stay
Without you, you got me singin' the blues.

Well, the moon and stars no longer shine
The feeling's gone I thought it was mine
There's nothin' left for me to do
But cry-y-y-y over you (cry over you)

Well, I never felt more like singin' the blues
'cause I never thought that I'd ever lose
Your love babe, You've got me singin' the blues
Well, I never felt more like cryin' all night
When everythin's wrong, and nothin' is right
Without you, you got me singin' the blues.
You got me singin' the blues.
You got me singin' the blues.
