

Ke\$ha: Trying 2 Hard

The Key of Awesome

I'm ridiculous
My 15 minutes is almost up
I pull this song ut of my butt
Hit cubs like Jack Nichoals
Pretending I'm bacerious
Cause I think it's hillarious
This towns a zit
Lets squeeze the puss
Don't look at us like were disgusting
I'm like Gaga with less grace
Can't read my tic tock blah blah face
Wake up in tubs with rather paint
I just use febreze
Thats gross
I'm barfing up lum
I'm making out with bums
I'm peeing in your yard
I'm trying to hard
Kesha talk to us
Theres something that we must discuss
It's about your lack of cleanliness
When you walk you leave a cloud of dust
Please girl take a bath and use some soap
Now heres some toothpaste and some soap
You dont understand what im about
Did something die inside your mouth?
I sing like a junk of poo
Then its fixed with auto tune
Check out my new kesha perfume
It smells like sex and shoes
Thats gross!
Hey let go of my arms
Hey thats my chicken parm
She's like a sequinard
She's got a beetle in her ear
Don't Ruin my career
Guys im melting
End
