

# The Dark Knight is Confused

## The Key of Awesome

KID

Batman! Why is he running, Dad?

GORDON

Because we have to chase him.

KID

Why?

GORDON

Because he can take it. Because hes not a hero, hes a silent guardian, a watchful protector, the Dark Knight

KID

I dont get it.

GORDON

Neither do I son, but it sounds cool.

BATMAN

As I ride on my bike at the end of Dark Knight  
Theres a few plot points that just dont feel right

Like why the hell did I agree to take the rap  
Harvey Dent killed those people. Who gives a crap?

And the Joker pulls crimes in such an orderly manner  
He must write it down in an evil day planner

His henchmen are psycho and expendable  
Yet somehow completely dependable

And why is Morgan Freeman all pissed at me?  
He seemed to resign kind of randomly

Its OK to build me an armored tank-car  
But ooh, tapping phones, thats going too far

Chorus

This movie of my life just doesnt hold together  
At least it beats the crap out of Batman Forever

I enjoy car chases, explosions and suspense  
Is it too much to ask that it all make sense?

ALFRED

No no Master Wayne, you dont understand  
You cant kill a symbol, but you can kill a man

BATMAN

If I want to quit then thats my choice

ALFRED

Were alone you dont have to use that voice  
And what about Ms. Dawes its like you just forgot her

BATMAN

In Batman Begins she was so much hotter

ALFRED

Joker, are you busy? Lets call a truce.  
I need you to help explain the plot toBatman

JOKER

Call me insane, but I consider us friends  
I brought the DVD so we can watch it again

ALFRED

Ill make the popcorn and pour the sherry  
Ooh, maybe we could watch it with the commentary

BATMAN

How does Harvey Dent do total 180?

ALFRED

Well they barbequed his face and he lost his lady

BATMAN

When did you have time rig up both of those boats

JOKER

Does talking that way ever damage your throat?

BATMAN

Well at least they got rid of Joel Schumacher

JOKER

You know movie is really good the Hurt Locker

BATMAN

Oh I heard that was good. Ive been meaning to see it.

ALFRED

Whos in it?

JOKER

Anthony Mackie

ALFRED

I dont know who that is.

JOKER

He was in Eight Mile.

ALFRED

Oh, he the guy who hosted the rap battles.

BATMAN

No that was Mekhi Phifer.

ALFRED

Joker youre getting white makeup all over the popcorn.

JOKER

Sorry, Hey did I ever tell you how I got these scars?

BATMAN

YES! Several versions.

ALFRED

Maybe some other people would like to hear the story.
