

## Midnight Show

The Killers

I know what you want  
I wanna take you a midnight show tonight  
If you can keep a secret  
I got a blanket in the back seat of my mind  
And a little place that sits beneath the sky  
She turned her face to speak  
But no-one heard her cry  
I drive faster, boy  
I drive faster, boy

I know there's a hope  
There's too many people trying to help me cope  
You got a real short skirt  
I wanna look up, look up, look up, yeah yeah

We were just in time  
Let me take a little more off your mind  
There's something in my head  
Somewhere in the back said  
We were just a good thing

We were such a good thing

Make it go away without a word  
But promise me you'll stay  
...  
Oh make it go away!

I drive faster, boy  
I drive faster, boy

Oh crashing time can't hide a guilty girl  
With jealous hearts that start with blossom curls  
I took my baby's breath beneath the chandelier  
Of stars in atmosphere  
And watch her disappear  
Into the midnight show...

Oh faster, faster, faster...  
Oh no no no no no...  
If you keep a secret  
Well baby... you can keep a secret  
If you keep a secret...
