

Miss Atomic Bomb

The Killers

You were standing with your girlfriends in the street
Falling back on forever, I wonder what you came to be..
I was new in town, the boy with the eager eyes
I never was a quitter, oblivious to schoolgirls' lies

When I look back on those neon nights
The leather seats, the passage rite
I feel the heat, I see the light

Miss Atomic Bomb
Making out, we've got the radio on
You're gonna miss me when I'm gone
You're gonna miss me when I'm gone

Racing shadows in the moonlight
Through the desert on a hot night
And for a second there we'd won
Yeah, we were innocent and young

Cast out of the night, well you've got a foolish heart
So you took your place but the fall from grace was the hardest part
It feels just like a dagger buried deep in your back
You run for cover but you can't escape the second attack
Your soul was innocent, she kissed him and she painted it black
You should have seen your little face, burnin' for love
Holdin on' for your life

All that I wanted was a little touch,
A little tenderness and truth, I didn't ask for much, no
Talk about being at the wrong place at the wrong time..

Miss Atomic Bomb
Making out we've got the radio on
You're gonna miss me when I'm gone
You're gonna miss me when I'm gone

Racing shadows in the moonlight
We're taking chances on a hot night
And for a second there we'd won
Yeah we were innocent and young

The dust cloud has settled, and my eyes are clear
But sometimes in dreams of impact I still hear
Miss Atomic Bomb, I'm standing here
Sweat on my skin
And this love that I've cradled
Is wearing thin (Miss Atomic Bomb)
But I'm standing here and you're too late
Your shock-wave whisper has sealed your fate

It feels just like a dagger buried deep in your back (It's so cruel [?])
You run for cover but you can't escape the second attack (and you turn your
back, you're so)
Your soul was innocent, she kissed him and she painted it black (on a losing
game)
You should have seen your little face, burning for love,
(Miss Atomic Bomb) Holdin' on for your life

But you can't survive (All that I wanted was a little touch)
When you want it all (A little tenderness and truth, I didn't ask for much)
There's another side (Talk about being at the wrong place at the wrong time)
