R: This is the world that we live in, I feel myself get tired.  
**Fmaj7** **G** **Cmi**  
This is the world that we live in.

**Cmi**  
1. Well maybe I was mistaken,  
**Ami** **As**  
I heard a rumour that you quit this day and age.  
**C**  
Well maybe I was mistaken.

**F** **G**  
Bless your body, bless your soul,  
**Ami** **B** **C**  
pray for peace and self-control.  
2. I gotta believe it's worth it,  
without a victory I'm so sanctified and free.  
Well maybe I'm just mistaken.

**Ami** **B** **C**  
Lesson learned and the wheels keep turning.  
**Ami** **B** **C**

**F** **G** **C/E** **F**  
R: This is the world that we live in, I can't take blame for two.  
**F** **G** **C/E** **F**  
This is the world that we live in, and maybe we'll make it through - aaah  
.  
**Cmi** **Ami** **As** **C**

**F** **Ami** **B** **C**  
Bless your body, bless your soul, reel me in and cut my throat.  
**F** **Ami** **B** **C**  
Underneath the waterfall, baby we're still in this - woah, yeah!  
R:

**Es** **Cmi** **B** **F** **As**  
I had a dream that I was falling down.  
**C** **Ami**  
There's no next time alone.  
**B** **C**  
A storm wastes its water on me.  
**Ami** **B** **C**  
But my heart, was free.

**Fmaj7** **G** **C/E** **Fmaj7**  
R: I guess it's the world that we live in, it's not too late for that.  
**Fmaj7** **G** **C/E** **Fmaj7**  
This is the world that we live in, I know we can't go back.  
**Fmaj7** **G** **C/E** **Fmaj7**  
This is the world that we live in, I still want something real.  
**Fmaj7** **G** **C/E** **Fmaj7**  
This is the world that we live in, I know that, we can heal,

**Fmaj7G** **C/E**
