

Who Let You Go?

The Killers

Who let you go? Who let you go?
Who let you go? Who let you go?
Who let you go? Who let you go?
I feel it inside, down in my soul
And I just can't hide these things I know

We could be friends
And I promise that it won't go bad
But hopefully this story ends
But you ain't got nothing I never had
So let's take it slow

Who let you go? Who let you go?
Who let you go? Who let you go?

Someone must have loved you
Not the way that I do...
You're missing what I'm trying to say
Ain't nothing getting in my way

So tell me that's fantastic
And promise me, you'll always sigh
I find it so romantic
When you look into my beautiful eyes
And lose control

Who let you go? Who let you go?
Who let you go? Who let you go?
Who let you go? Who let you go?
Who let you go? Who let you go?

I don't know what it means
But I've been wondering
Who let you go?

And honey, when you walk my way
It makes me wanna say...
Ohhh

Sha-la-la-la, sha-la-la-la
Sha-la-la-la, sha-la-la-la
Sha-la-la-la, sha-la-la-la-la-la
Sha-la-la-la, sha-la-la-la
Sha-la-la-la, sha-la-la-la-la-la
Sha-la-la-la, sha-la-la-la
Sha-la-la-la, sha-la-la-la-la-la
Sha-la-la-la, sha-la-la-la
(sha-la-la-la)
