

One Silver Dollar

The Kills

One silver dollar
Bright silver dollar
Changing hands
Changing hands

Endlessly rolling
Wasted and stolen
Changing hands
Changing hands

Spent for a beer he's drinking
Won by a gamblers lust
Pierced by an outlaw's bullet
Lost in the blood red dust

One silver dollar
Worn silver dollar
Changing hands
Changing hands

Love is a shining dollar
Bright as a church bell's chime
Gambled and spent and wasted
Lost in a dart of time

Ooooh Ooooh...

One silver dollar
Worn silver dollar
Changing hearts
Changing lives
Changing hands
