

I Love You Samantha

The King's Singers

Samantha, you're all
I'll ever adore,
So forgive me, do,
If I say to you
What I've said so often before.

I love you, Samantha,
And my love will never die.
Remember, Samantha,
I'm a one-gal guy.
Together, Samantha,
We could ride a star and ride it high.
Remember, Samantha,
I'm a one-gal guy.
And if some distant day
You decided to say,
"Get along, go away, goodbye!"
Remember, Samantha,
I'm a one-gal guy.
Remember, Samantha,
I'm a one gal guy.
