

Annie Fannie

The Kingsmen

There's a chick in the magazine we all know
(Annie Fanny, yeah yeah so fine)
She's a swingin' little chick we all know
(Annie Fanny, yeah yeah so fine)

And what she's got she doesn't owe to luck
(Annie Fanny, yeah yeah so fine)
She owes it to a cat named Daddy Warbucks
(Annie Fanny, yeah yeah so fine)

She saves the world, there's no-one bolder
(Annie Fanny, yeah yeah so fine)
She does all this and never gets any older
(Annie Fanny, yeah yeah so fine)

(Annie Fanny) She does all this and you wouldn't
surmise
(Annie Fanny) This chick needs no disguise
(Annie Fanny) Here's a thing that would be the prize
(Annie Fanny) To get Annie Fanny a pair of eyes

When she's in trouble it's so handy
(Annie Fanny, yeah yeah so fine)
She always gets saved by a pooch named Sandy
(Annie Fanny, yeah yeah so fine)

But the dog's in trouble and it's a sin
(Annie Fanny, yeah yeah so fine)
He's as blind as Fanny, he needs contact lens
(Annie Fanny, yeah yeah so fine)

(Annie Fanny) She does all this and you wouldn't
surmise
(Annie Fanny) This chick needs no disguise
(Annie Fanny) Here's a thing that would be the prize
(Annie Fanny) To get Annie Fanny a pair of eyes

(Annie Fanny, yeah yeah so fine)
