Four strong winds that blow lonely,

seven seas that run high, all these things that don't change, c ome what may,

But our good times are all gone and I'm bound for moving on. I'll look for you if I'm ever back this way.

Guess I'll go out to the mountains where there's good there in the fall.

Got some friends that I can to working for.

Still, I wish you'd change your mind if I'd ask you one more ti me,

but we've been through that a hundred times before.

Four strong winds that blow lonely,

seven seas that run high, all these things that don't change, c ome what may,

But our good times are all gone and I'm bound for moving on. I'll look for you if I'm ever back this way.

If I get there 'fore the snow flies and if things are going goo d,

you could meet me if I sent you down the fare.

But by then it would be winter,

nothing much for you to do and the wind sure blows cold way out there.

Four strong winds that blow lonely,

seven seas that run high, all these things that don't change, c ome what may,

But our good times are all gone and I'm bound for moving on. I'll look for you if I'm ever back this way.
