## **Catch Me Now I'm Falling**

## The Kinks

I remember, when you were down
And you needed a helping hand
I came to feed you
But now that I need you
You won't give me a second glance
Now I'm calling all citizens from all over the world
This is Captain America calling
I bailed you out when you were down on your knees
So will you catch me now I'm falling

Help me now I'm calling you
Catch me now I'm falling
I'm in your hands, it's up to you
Catch me now I'm falling

I remember when you were down
You would always come running to me
I never denied you and I would guide you
Through all of your difficulties
Now I'm calling all citizens from all over the world
This is Captain America calling
I bailed you out when you were down on your knees
So will you catch me now I'm falling

Help me now I'm calling you Catch me now I'm falling I'm in your hands, it's up to you Catch me now I'm falling

When you were broke you would come to me And I would always pull you round Now I call your office on the telephone And your secretary tells me that she's sorry, But, you've gone out of town.

This is Captain America calling This is Captain America calling

Help me now I'm calling you
Catch me now I'm falling
I'm in your hands, it's up to you
Catch me now I'm falling

Catch me now I'm falling Catch me now I'm falling Catch me now I'm falling Catch me now I'm falling

I stood by you through all of your depressions And I lifted you when you were down Now it's your chance to do the same for me I call your office and your secretary tells me That you've gone out of town

This is Captain America calling This is Captain America calling Catch me now I'm falling Catch me now I'm falling

I was the one who always bailed you out Of your depressions and your difficulties I never thought that you would let me down But the next time you're in trouble Better not come running to me

Now I'm calling all citizens from all over the world This is Captain America calling
I bailed you out when you were down on your knees
So will you catch me now I'm falling
Catch me now I'm falling

Catch me now I'm falling Catch me now I'm falling Catch me now I'm falling Catch me now I'm falling
