Come Dancing

The Kinks

They put a parking lot on a piece of land When the supermarket used to stand Before that they put up a bowling alley On the site that used to be the local Palais That's where the big bands used to come and play My sister went there on a Saturday

Come dancing All her boyfriends used to come and call Why not come dancing It's only natural?

Another Saturday, another date She would be ready but she's always make them wait In the hallway, in anticipation He didn't know the night would end up in frustration He'd end up blowing all his wages for the week All for a cuddle and a peck on the cheek

Come dancing That's how they did it when I was just a kid And when they said come dancing My sister always did

My sister should have come in a midnight And my mom would always sit up and wait It always ended up in a big row When my sister used to get home late

Out of my window I can see them in the moonlight Two silhouettes Kissing by the garden gate

The day they knocked down the Palais My sister stood and cried The day they knocked down the Palais Part of my childhood died, just died

Now I'm grown up and playing in a band And there's a car park where the Palais used to stand My sister's married and she lives on an estate Her daughters go out, now it's her turn to wait She knows they get away with things she never could But if I asked her I wonder if she would

Come dancing Come on sister, have yourself a ball Don't be afraid to come dancing It's only natural

Come dancing Just like the Palais on a Saturday And all her friends will come dancing Where the big bands used to play

Every Saturday night

My sister used to go to the Palais But she used to come home and say Hey hey I take dancing tonight
