## I Go to Sleep

When I look up from my pillow I dream you are there with me. Though you are far away I know you'll always be near to me.

I go to sleep, sleep And imagine that you're there with me. I go to sleep, sleep And imagine that you're there with me.

I look around me And feel you are ever so close to me. Each tear that flows from my eyes Brings back memories of you to me.

I go to sleep, sleep And imagine that you're there with me. I go to sleep, sleep And imagine that you're there with me.

I was wrong, I will cry I will love you to the day I die. You alone, you alone and no one else You were meant for me.

When morning comes once more I have the loneliness you left me. Each day drags by until finally Night time descends on me.

I go to sleep, sleep And imagine that you're there with me. I go to sleep, sleep And imagine that you're there with me. **The Kinks**
