

I Need You

The Kinks

I need you,
I need you more than birds need the sky.
I need you, it's true little girl,
That you can lift the tears from my eyes.

But if you ever tell me good-bye,
I'll break down and you'll hear me cry.
I need you,
More than anybody else has needed anyone before.

I need you,
There's no one else to stand in your place.
I need you, you know little girl,
That you can keep the smile on my face.

But if you ever tell me good-bye,
I'll break down and you'll hear me cry.
I need you,
More than anybody else has needed anyone before.

I need you,
There's no one else to stand in your place.
I need you, you know little girl,
That you can keep the smile on my face.

But if you ever tell me good-bye,
I'll break down and you'll hear me cry.
I need you,
More than anybody else has needed anyone before.
More than anybody else has needed anyone before.
I need you,
I need you,
I need you.
