There Is No Life Without Love

The Kinks

```
Truly, oh truly,
There is nothing in this life without your love
This is a story of my true love,
There is no life without love,

Truly, oh truly,
There is nothing in this life without your love
Truly, oh truly,
There is nothing in this life without your love
There is no life without sunshine,
There is no rest without sleeping,

Truly, oh truly,
There is nothing in this life without your love
Truly, oh truly,
There is nothing in this life without your love
```
