

## This Time Tomorrow

The Kinks

This time tomorrow  
where will we be  
On a spaceship somewhere  
sailing across an empty sea

This time tomorrow  
what will we know  
Well we still be here  
watching an in-flight movie show

I'll leave the sun behind me  
and watch the clouds as they sadly pass me by  
Seven miles below ma  
I can see the world and it ain't so big at all

This time tomorrow  
what will we see  
Field full of houses,  
endless rows of crowded streets

I don't where I'm going,  
I don't want to see  
I feel the world below me  
looking up at me

Leave the sun behind me,  
and watch the clouds as they sadly pass me by  
And I'm in perpetual motion  
and the world below doesn't matter much to me

This time tomorrow  
where will we be  
On a spaceship somewhere  
sailing across any empty sea  
This time tomorrow,  
this time tomorrow
