

## Afraid of You

### The Knife

I'm afraid of you  
Well I do  
Was it what I felt?  
No, it was what I was dealt

I'm afraid of you  
Well I do  
Was it what I felt?  
No, it was what I was dealt

It was can away  
Then we'll turn away

I'm afraid of you  
Well I do  
Was it what I felt?  
No, it was what I was dealt
