

Man I'm Only Human

The La's

Man I'm only human
Humble as can be
Man I'm only human
I am only me

Man I'm only fishing
Fishing in the sea
Man I'm only missing
Throw your line to me
Throw your line through me

Man I'm only one man
I am only me
Man I'm only one man
Push it out through me

Keep a sense of humour
Put the fear in me
Yield your shield to me
Throw your spear through me
Throw your spear through me
Throw your spear through me

Man I'm only dying
Dying to be free
Dying to be free
Dying to be free
Dying to be free
