

Country Boy Fresh

The Lacs

I'm Feeling good about tonight, I'm country boy fresh
I'm what them country girls like cuz I'm country boy fresh
Dirty boots, dirty truck, where I stay is a wreck
But that's just how I ride because I'm country boy fresh

I'm Feeling good about tonight, I'm country boy fresh
I'm what them country girls like cuz I'm country boy fresh
Dirty boots, dirty truck, where I stay is a wreck
But that's just how I ride because I'm country boy fresh

I love my Atlanta braves ball cap its almost black from the tree sap
I'm a country boy with no noodly suits, got my slip on Georgia boots
When I get dressed I don't need no mirror, brand new shirt where's my scissors
Cut it up and take the tag, use the sleeves for an ole grease rag
My levi's got them blood stains from that 8 point buck I shot last spring
Yea I shot him out of season, but I had me a real good reason
I was in my B's makin my rounds, seen a buck layed him down
Loaded him up went straight to town, got that meat 180 pounds.

I'm Feeling good about tonight, I'm country boy fresh
I'm what them country girls like cuz I'm country boy fresh
Dirty boots, dirty truck, where I stay is a wreck
But that's just how I ride because I'm country boy fresh

I'm Feeling good about tonight, I'm country boy fresh
I'm what them country girls like cuz I'm country boy fresh
Dirty boots, dirty truck, where I stay is a wreck
But that's just how I ride because I'm country boy fresh

Yea, slide into my blue jeans, so fresh so clean
Head on out to that mud hole hot girls and the beer ice cold
Its just me and my redneck buddies, couple of chains cause it might get muddy
Cash my check buy my drink, find me a lil ole country thang
Yea, I'm gonna get my buzz on, don't wanna hear no love song
Gonna get drunk til the sun comes up, cuz that's just what us rednecks does
Idle on down that back road find a lil spot to park
Down by the creek got a bunch of wood lets see if we can make some sparks
C'mon

I'm Feeling good about tonight, I'm country boy fresh
I'm what them country girls like cuz I'm country boy fresh
Dirty boots, dirty truck, where I stay is a wreck
But that's just how I ride because I'm country boy fresh

I'm Feeling good about tonight, I'm country boy fresh
I'm what them country girls like cuz I'm country boy fresh
Dirty boots, dirty truck, where I stay is a wreck
But that's just how I ride because I'm country boy fresh
